Promoting Sustainability in Central Florida

---

## FALL GARDEN PLANT SALE

**SATURDAY – OCTOBER 17, 2009**

**9am - 4pm**

Fall is prime gardening season in Florida so get your gardens ready. Come out to our fall plant sale and pick up some starter plants to get your garden growing. We will have **vegetables, herbs, fruit trees, natives, and flowers**. We are growing varieties well suited to our Florida climate. Stop by to visit our farm and learn more with our free demonstrations on how to start seeds, feed worms, use a solar panel, start a garden, and sift compost.

### Econ Farm Location and Directions

**16206 Hamilton Drive  
Orlando, FL 32833**

Located on the Econolockhatchee River, in between UCF and Christmas.

**To reach the Econ Farm from From Downtown Orlando:**

Travel east on the East-West (408) and exit at the E 50 (Colonial) Exit to Titusville (exit #22).

Take a right onto 50 at the end of the off ramp.

Travel along 50 for approx 2.5 miles, and take a right onto Tanner Rd, which is the road immediately after the Econolockhatchee River sign and mini-bridge.

Turn left at the T onto Old Cheney Hwy.

Turn right onto Lockwood Dr.

Turn right at the T onto Hamilton Dr.

The Econ Farm is the third and fourth entrances to your left.
